

Coaches and Team Reps,

We at ILOA know you are all working very hard to get your team prepped for the upcoming season.

ILOA is working very hard to get everything ready on our end as well.

As you know last season there was a gross shortage of officials. This required many games to have to be rescheduled.

It was also unsafe for players that officials were having to work multiple games several times a week.

Each season we have our annual certification clinics. Please forward this info on to anyone you may have spoken with, or anyone you feel would make a good official. No experience required.

Clinics are also open to anyone who would like to audit and learn more about officiating and gain some perspective from the third team on the field.

Here are the dates, times, and locations:

Sunday Jan. 31

- Indianapolis
- New and Returning Officials
- Bishop Chatard High School
- 8:30-4:00

Sunday Feb. 14

- Evansville
- New officials training session I
- Ohio Twp. Library, Newburgh
- 1:00-4:30

Saturday Feb. 20

Registration for Clinics

We ask that anyone planning to attend a clinic (as an official) please register first. We've added a portal to our website to streamline the process.

<http://www.inlaxref.org/762-2/>

When you finish the registration process a PayPal link will pop up. This is for ILOA dues. You'll need to register with US Lacrosse separately.

Please feel free to get in touch if you have any questions.
