

HOST BID FORM 2018

Thank you for your interest in hosting the 2018 Indiana High School Boys' Lacrosse State Championship Tournament Semifinals and Finals. In this application you will find information to assist you in filling out this form.

Please fill out all sections and include and pertinent information that may assist the Executive Committee in considering your Bid. This application is for the 2018 Tournament, if your application is for future or consecutive years, please indicate.

GENERAL PROCESS & EXPLANATION

Among many factors, it is the desire of the Executive Committee of the Indiana High School Lacrosse Association ("IHSLA") to select a bid that will insure that the Tournament Semifinals and Finals can be held safely in all weather conditions. Therefore, you must provide evidence that your facility will permit play under all conditions including but not limited to rain soaked field, drought, other weather related situations where a facility would not allow use of their fields.

If necessary and when available the IHSLA will provide historical financial data to prospective hosts on an as needed basis to assist them in budgeting. The IHSLA does not guarantee that a prospective host, if awarded the tournament, will realize any financial gain as previously realized or as budgeted in such prospective host's application.

It is understood that the IHSLA will only consider those applications that provide the highest quality tournament possible. Therefore the selection process will not be based solely on remuneration to the IHSLA. The IHSLA will consider all aspects of a prospective host's bid, including, but not limited to:

- Facility— location and accessibility
- Field surface
- Stadium facility (size, access, concessions, restrooms, audio, scoreboard, disability access)
- Ancillary facilities (vendors, interactive games)
- Safety considerations (inclement weather, access to medical assistance and equipment)
- Marketing (advertising, video production, media)

Simply put, the Executive Committee will evaluate who can put on the "best show". We all want our sport to grow, and the State Tournament is the showcase for us.
