IHSLA ANNOUNCES NEW CHAMPIONSHIP WEEKEND PLANS

Fishers High School Wins Bid for Men's State Lacrosse Championship

INDIANAPOLIS, IN, April 21–

The Indiana High School Lacrosse Association (IHSLA) has selected Fishers High School as the host for the 2016 high school men's state semi-final games and championship game. Taking place on June 3rd & 4th at the Fishers High School Football Stadium, this event caps off the scholastic season with the 16 team state tournament for men's lacrosse. This is the 17th year for a recognized state championship tournament, directed by the IHSLA. The weekend kicks off with two semi-final games on Friday evening May 4th (6:00pm and 8:00 pm) with the winners advancing to the Championship match on Saturday (4:00 pm).

The 2015 IHSLA State Champion Carmel Greyhounds look to defend their crown. Other top teams include Indianapolis Cathedral, Fishers, Hamilton Southeastern and Zionsville.

"We are pleased to celebrate the consistent growth and excitement of scholastic lacrosse in Indiana with this event. We hope to see great crowds for this impressive weekend of men's lacrosse as we crown a new champion and build a greater legacy in this sport."

– Paul Borcheldt, President IHSLA

The Indiana High School Lacrosse Association is a non-profit organization run by volunteers devoted to the support of boys high school lacrosse. The IHSLA is directed by a code of by-laws, voted on by its membership, which gives it the power to govern high school lacrosse in the state of Indiana by providing common policies and rules for each season. The mission of the IHSLA is to provide high school students an opportunity to play high school lacrosse for their school similar to other high school sports so that lacrosse may someday be adopted by the IHSA.
