ABOUT IHSLA:

The Indiana High School Lacrosse Association (IHSLA) is a non-profit organization run by volunteers devoted to the support of boy's high school lacrosse. The IHSLA is directed by a code of by-laws, voted on by its membership, which gives it the power to govern high school lacrosse in the state of Indiana by providing common policies and rules for each season. The IHSLA has established a State Tournament and awards the winner the IHSLA Indiana State Champion. The IHSLA bids out the hosting of the State Tournament through a request for proposal (RFP) process.
